

A woman with blonde hair tied in a bun, wearing a gold-colored dress, is shown from the chest up. She is looking slightly to the right with a gentle smile. Her right hand is resting on her cheek, and her left hand is resting on her chest. She is wearing a gold-colored watch with a white dial and a gold-colored necklace with a circular pendant. The background is a soft, out-of-focus outdoor setting.

WORKBOOK 2024

Obaku crée des montres au design intemporel inspirées du minimalisme et de la simplicité. L'inspiration qui se cache derrière toutes les montres Obaku provient de la tradition danoise classique combinée à la philosophie Zen asiatique qui se concentre sur les choses essentielles de la vie. Il peut sembler difficile de mélanger des traditions qui puisent leurs racines à des milliers de kilomètres, mais grâce à nos designers, Obaku a créé des modèles où se mêlent les idiomes de design nordiques et asiatiques.

Toutes les montres Obaku sont intemporelles et résistent à l'épreuve de temps. Les modèles visent à offrir un luxe abordable en combinant des matériaux luxueux et des designs uniques avec une attention aux détails, qui représentent la beauté d'une superbe conception.

#obakuofficial #sensetime

A man with dark, wavy hair and a beard is sitting in a wooden chair. He is wearing a dark blue, long-sleeved button-down shirt and grey trousers. His hands are clasped together in his lap. He is wearing a watch with a black dial and a metal link bracelet on his left wrist. The background is a plain, light grey wall.
