GREAT STYLE IN TIME

CRAFTING TIME WITH PASSION

We have been enthusiastically creating our COVER collections since 1999. Our family business places great importance on developing unique and fascinating watches that give their wearers a touch of individuality. The combination of traditional watchmaking and modern flair is at the heart of each of our creations.

In our workshops, precision craftsmanship takes center stage. Each watch is carefully assembled, quality-checked and packaged by hand by our talented craftsmen. Our products bear the "Swiss Made" seal of quality and come with a 5-year warranty.

COVER watches are manufactured at our headquarters in Solothurn, which once housed a renowned watchmaking school. This historic location was one of the first training centers for watchmakers in Switzerland.

CRÉER DU TEMPS AVEC PASSION

Depuis 1999, nous créons avec enthousiasme nos collections COVER. Notre entreprise familiale attache une grande importance au développement de montres uniques et fascinantes, qui donnent à celles et ceux qui les portent une part d'individualité. La combinaison de l'horlogerie traditionnelle et d'un flair moderne est au cœur de chacune de nos créations.

Dans nos ateliers, l'artisanat de précision est au centre de nos préoccupations. Chaque montre est soigneusement assemblée à la main par nos talentueux spécialistes, puis soumise à un contrôle de qualité et emballée. Nos produits portent le label de qualité «Swiss Made» et bénéficient d'une garantie de 5 ans.

La fabrication des montres COVER a lieu à notre siège social de Soleure, qui abritait autrefois une école d'horlogerie renommée. Ce site historique a été l'un des premiers lieux de formation pour horlogers en Suisse.

LEIDENSCHAFTLICH ZEIT GESTALTEN

Seit 1999 kreieren wir mit Begeisterung unsere COVER-Kollektionen. Dabei legt unser Familienunternehmen grossen Wert darauf, einzigartige und faszinierende Uhren zu entwickeln, die ihren Trägerinnen und Trägern ein Stück Individualität verleihen. Die Kombination aus traditioneller Uhrmacherei und modernem Flair ist das Herzstück jeder unserer Kreationen.

In unseren Ateliers steht präzises Handwerk im Mittelpunkt. Jede Uhr wird von unseren talentierten Fachleuten sorgfältig von Hand montiert, qualitätsgeprüft und verpackt. Unsere Produkte tragen das Gütesiegel «Swiss Made» und sind mit einer fünfjährigen Garantie versehen.

Die Fertigung der COVER-Uhren findet an unserem Hauptsitz in Solothurn statt, der einst eine renommierte Uhrmacherschule beherbergte. Dieser historische Standort war eine der ersten Ausbildungsstätten für Uhrmacher in der Schweiz.
