
OBAKU
DENMARK
WORKBOOK 2026/2027
FRANCE

Obaku crée des montres au design intemporel inspirées du minimalisme et de la simplicité. L'inspiration qui se cache derrière toutes les montres Obaku provient de la tradition danoise classique combinée à la philosophie Zen asiatique qui se concentre sur les choses essentielles de la vie. Il peut sembler difficile de mélanger des traditions qui puisent leurs racines à des milliers de kilomètres, mais grâce à nos designers, Obaku a créé des modèles où se mêlent les idiomes du design nordiques et asiatiques.

Toutes les montres Obaku sont intemporelles et résistent à l'épreuve du temps. Les modèles visent à offrir un luxe abordable en combinant des matériaux luxueux et des designs uniques avec une attention aux détails, qui représentent la beauté d'une superbe conception.
